BSc (Hons) in Information Technology Specializing in Information Technology

G/Karandeniya Central College **2022(2021)**

GCE Advanced Level,Physical Science Stream (Mathematics)

SKILLS

Programming Language

- Java
- python
- SQL
- Kotlin
- R

Databases

- MongoDB
- My SQL

Other IDE & Tools

- Figma
- GitHub
- VS Code
- Android Studio
- Eclipse

Soft Skills

- Time Management
- Teamwork
- Quick Learning
- Communication
- Problem-Solving
- Self-learning

PROJECTS

Online Advertising Agency Management System **2/2024 – 6/2024**

- Developed the Contact Us and Feedback pages, allowing users to submit inquiries and reviews.
- Implemented full CRUD operations for managing contact messages and customer feedback through an admin interface.
- Ensured responsive design and user-friendly layouts using HTML, CSS, JavaScript and backend processing with PHP and MySQL.

Online Drugs and Medicine Ordering System 7/2024 – 10/2024

- Designed and implemented the Shipping Information Page and Contact Us Page, allowing users to manage delivery and support communication.
- Developed CRUD functionalities for contact submissions and shipping details.
- Integrated with Java and MySQL for backend logic and database operations to ensure accurate order processing.

2/2025 - 6/2025

Coconut-Based Product Management System

- Developed the Inventory Management System to track product availability and update stock levels.
- Worked with MERN Stack (MongoDB, Express.js, React, Node.js) for backend and frontend development.
- Ensured smooth CRUD operations for inventory control and real-time stock updates.
- Contributed to sprint planning and team collaboration using Agile methodology.

2/2025 - 6/2025

Android Mobile App Development

- Book Ordering System
  Included features like browsing books, adding to cart, and placing orders.
  Developed a clean UI with navigation between categories and order summaries.
- Financial Tracking App
  Created a personal finance management app for Android to help users monitor incom
  expenses, and budgeting.

COURSES & CERTIFICATIONS

- Web-Design For Beginners - university of Moratuwa
- Front-End Web Development – University of Moratuwa
- Python for Beginners – University of Moratuwa
- python programing - university of Moratuwa
- OOPs in Java Programming - Simple Learn
- Spoken and Writing English Course - Slega Academy
- A2-KEY exam - Cambridge College of British English
